

Job Posting - Professional Construction Laborer

Company Highlights

Domani Construction & Development Inc. is a construction development company and general contractor that specializes in new custom residential homes, renovations and commercial office construction in dental and health care facilities. Since 2003, Domani has been providing clients with the most innovative and cost-effective design/build solutions in the industry throughout Chicago and the surrounding suburbs. Domani maintains a company atmosphere where strategic thought and creativity overcome challenge. Working with Domani, you will not only be able to continue to hone your skills, but you will be able to show project leadership with opportunities to grow with the company.

If you are innovative, able to work independently, and take pride in the quality of your work, then Domani Construction and Development may be right for you.
